Band Introduction

WORLD CITIZEN -SAISA- is a cinematic post-rock band from Japan led by composer-guitarist Nobuki Yagi.

Drawing on film-score sensibilities, they balance fragile melodies with towering dynamics.

On their 2018 seven-city China tour, they drew over 2,000 attendees, and in 2025 they appeared at OFFSIDE Festival (Hangzhou).

Their latest release, *Rebuilding the Ruins of Regret* (2024), showcases the band's evocative, widescreen sound.
